

ACTS Group, Inc. (ACTS) is a minority-owned 8(a), HUBZone, DBE and Service-Disabled Owned and Operated Company strategically located in Hampton Roads, Virginia. ACTS specializes in Government & Commercial new construction, renovations, repairs, and design-build projects. ACTS has selected team members to streamline construction, manage labor, and other resources to reduce cost and achieve aggressive schedules. The ACTS Team will make a firm commitment to provide qualified professionals and skilled tradesmen to build a partnering relationship with all of our clients and end users in every project.

Our past experience makes the ACTS Team an excellent candidate for multiple discipline construction requirements. We will gladly compete and/or negotiate for and successfully perform the projects within this requirement while partnering with your staff in order to deliver superior client satisfaction. We have an experienced executive team, talented inhouse support members and an outstanding qualified team of local subcontractors, which combined with our national suppliers, bring 35+ years of construction experience to our clientele. We are confident that we can take your next project from concept to completion in a timely manner without sacrificing safety or quality while we keep the project within budget. We look forward to teaming with you on your next project.
